

## **Training Programme**

Biomedical Informatics Centre, NICED is inviting applications for **6-months/1-year Training Programme**. Students who are pursuing Masters degree (M.Sc./M.Tech.) in Bioinformatics/Biotechnology may apply for carrying out their project work which will count towards partial fulfillment of their degree. Computer science students with flair for biology may also apply. Interested applicants should send their expression of interest along with a brief CV via email to the Dr. Santasabuj Das, BIC, NICED ([bic\\_niced@icmr.org.in](mailto:bic_niced@icmr.org.in)). Please note that that the applicants if selected will have to make their own arrangements for travel and accommodation. Also they will not be paid any stipend during the training period.
