

2-Day Workshop
On

Molecular Modeling & Drug Designing

Date: October 13th – 14th, 2015

About the Workshop

The aim of this workshop is to provide the participants an overview of the different computational tools and software used for developing novel drug molecules. The course is being sponsored by the Indian Council of Medical Research (ICMR) and participants are therefore not required to pay any course fee. Lunch and refreshments will be provided during workshop days. Candidates with medical background or holding M.Pharm Degree are encouraged to apply. Preference will be given to the students and faculties of **MD Pharmacology**.

Interested applicants are requested to send their expression of interest along with short CV via email by **8th October** to the Coordinator, BIC, NICED (bic_niced@icmr.org.in). An endorsement email from the respective Departmental Head would be highly appreciated. Please mention "Application for attending Molecular Modeling & Drug Designing workshop" as subject in the E-mail.

Plenary Session Speaker

Dr. Saikat Chakrabarti, PhD
Principal Scientist, Ramalingaswami Fellow
Indian Institute of Chemical Biology, Kolkata

Organized by

Biomedical Informatics Centre
National Institute of Cholera and Enteric Diseases
Indian Council of Medical Research

Course Coordinator

Dr. Santasabuj Das, M.D.
Scientist E
Principal Investigator & Coordinator
Biomedical Informatics Centre

Dr. Asish Kumar Mukhopadhyay, PhD
Scientist E
Co-investigator
Biomedical Informatics Centre
